Registration: 8:00AM

Timber Lake Fire Department

## **Class I: Live Fire Attack and Technique Training**

Training will consist of a short morning classroom session covering basic principles of Safety, SCBA's, and Fire Streams. The remainder of the morning and all afternoon will be spent doing hands on training with Live Fire. Participants will put their knowledge and skills to use in the two-story Mobile Live Fire Training Unit. This hands-on training will simulate conditions encountered in actual interior structure fires (live fire, heat, humidity, and smoke). During the evolutions, the students will be able to practice SCBA usage, emergency SCBA procedures, hose handling, nozzle techniques, fire attack, ventilation, and more. Students will have the opportunity to practice multiple fire attack scenarios including ground level entry, basement fires, and rescue procedures.

**Must be 18 years of age and have current SCBA training. Structural PPE & SCBA required.**

Instructors: Platte VFD Cadre    Class Limit: 24

## **Class II: Auto Extrication**

This class will cover basic to advanced vehicle extrication using cribbing, hand tools, air bags and hydraulic tools. During the first part of class, students will use basic hand tools to perform extrication techniques. In the later part of class, students will use a set of hydraulic extrication tools to perform some of the same extrication techniques. Students are encouraged to bring whatever hand tools they may have available to use to try them at this class: Come-alongs; porta-powers; chains; pry bars; Sawzall; window punches; glass cutters; air chisels; handy man jacks; halligans; cribbing, etc.

**Must be 18 years of age and have suitable Rescue or Structural PPE.**
