## SUMMER FIRE TRAINING ACADEMY

Need of some hands on skills training?  
Need Extrication, Forcible Entry or Live  
Fire Training to complete your SD  
Firefighter Certification performance  
competencies on your blue card? Were  
you unable to attend SD State Fire  
School in April this year and looking for  
a summer event to brush up on skills?  
Why not join us for a day of hands on  
firefighter skills training? On Saturday  
June 7<sup>th</sup>, 2014

LIVE FIRE TRAINING  
EXTRICATION  
FORCIBLE ENTRY  
PUMP OPERATIONS & MAINTENANCE

**SCHEDULE:**  
Saturday June 7<sup>th</sup>, 2014  
07:00-08:00 – Registration @  
Station  
08:00-12:00 - Classes  
12:00-13:00 – Lunch (on your own)  
13:00-17:00 – Classes  
17:30- Evening meal @ Station and  
Water Fight

## 4 CLASSES OFFERED - CLASS DETAILS FOLLOW

### • **LIVE FIRE TRAINING – 8hrs. (All day)**

**Instructors:** MLFTU-C Cadre

Hands on training will simulate conditions encountered in actual interior structure fires (live fire, heat and smoke) using the two story mobile live fire training unit. Students will have the opportunity to practice multiple fire attack scenarios including ground level entry and basement fires as well as rescue procedures.

**Prerequisites:** Participants must be 18 years of age, in good health and a certified FF or currently enrolled in a certified FF course having received training to meet the minimum job performance requirements for Fire Fighter 1 in NFPA 1001, related to the following subjects; SAFETY, FIRE BEHAVIOR, PORTABLE EXTINGUISHERS, PPE, LADDERS, FIRE HOSE, APPLIANCES, STREAMS, OVERHAUL, WATER SUPPLY, VENTILATION, FORCIBLE ENTRY & BUILDING CONSTRUCTION.

**Class Size Limit:** 24

**Full Structural PPE & SCBA is required (extra SCBA cylinders are recommended)**

### • **ALL THINGS EXTRICATION – 8hrs. (All day)**

**Instructor:** Monte Gummer – Brookings FD

This primarily hands on class will provide multiple opportunities to use hydraulic extrication tools in a variety of scenarios and on a variety of equipment. It is anticipated that both autos and farm equipment will be at your disposal.

**Class Size Limit:** 24

**Full PPE (Structural or Extrication) with eye protection is required**

### • **FORCIBLE ENTRY AND THROUGH THE LOCK – 4hrs. (Offered AM session and PM session)**

**Instructors:** Mike Villanueva – Yankton FD & Adam Frick – Yankton FD/Sioux Falls Fire Rescue

Forcible Entry and through the lock have become a lost art. Too many firefighters revert to a size 13 boot when faced with although forcible entry challenge and it will fail you. Waiting for a locksmith shouldn't be our only tool in the toolbox on some of the lesser emergency calls we go on. Not having a plan will set us up for failure at the door before we can even get in and make the problem go away. Learn Forcible entry techniques using the hands on simulator forcing multiple doors, learn how to pull and manipulate lock cylinders, pull hinges, drive carriage bolts through doors, and destroy padlocks. This no nonsense class will be mostly hands on with a short classroom session, and have you making quick work of your next locked door.

**Class Size Limit:** 20

**PPE required, full NFPA turnout gear, ear protection is a MUST**

### • **PUMP OPERATIONS AND MAINTENANCE – 4hrs. (Offered AM session and PM session)**

**Instructor:** To Be Announced

**Class Description under development**

# SUMMER FIRE TRAINING ACADEMY PLATTE, SD – SATURDAY JUNE 7<sup>TH</sup> 2014
