

## BICYCLE HELMET OBSERVATION SURVEY POST-SURVEY

Instructions: Survey at locations where large number of children riding bicycles (baseball fields, parks, schools, swimming pools). Survey needs to be completed at least a month after providing education. Post-survey should be done at the same time and site as the pre-survey site - locations where large numbers of children ride. For each child observed, circle "yes" if a helmet is worn and "no" if one is not.
