

**SOUTH DAKOTA
OUT-OF-STATE DRIVER EDUCATION PROGRAM APPROVAL**

The State of South Dakota Driver Education Coordinator may approve an out-of-state driver education program if it meets the minimum requirements of the South Dakota driver education process. If the program is approved, 90 days of the 180 day Instruction Permit requirement under our graduated license process will be waived. Approval of the program will also waive the written and/or driving test requirement, provided this form has been approved and application is made by the student within one year of classroom completion. Please complete this form in its entirety (print carefully), scan the form and send it to the e-mail address shown below. Once approval or denial is made by the South Dakota Driver Education Coordinator, the form will be e-mailed back to you and, if approved, your student may take a printed copy to their local driver examination station.
