**Sunday September 20, 2015**

**Registration: 8:00am**

**Akaska Fire Dept. Akaska, SD**

## **Class I: Live Fire Attack and Technique Training**

Training will consist of a short AM classroom session covering basic principles of Safety, SCBA and Fire Streams. The remainder of the AM and all afternoon will be spent doing hands on training with Live Fire. Participants will put their knowledge and skills to use in the two-story Mobile Live Fire Training Unit. This hands-on training will simulate conditions encountered in actual interior structure fires (live fire, heat, humidity and smoke). During the evolutions the student will be able to practice SCBA usage, emergency SCBA procedures, hose handling, nozzle techniques, fire attack, ventilation and more. Students will have the opportunity to practice multiple fire attack scenarios including ground level entry and basement fires as well as rescue procedures. (Must be 18 years of age and have current SCBA training. Structural PPE and SCBA required).

Instructor: Platte VFD Cadre - **Class limit 24.**

## **Class II: Rangeland Firefighting Strategies**

Training in the AM will be a classroom session which will consist of strategies and safety procedures used in fighting large rangeland fires. The afternoon will be spent doing hands-on training which will include an actual rangeland burn and opportunity to implement strategies learned. (PPE required for field exercise)
