

MEMORANDUM OF UNDERSTANDING

BETWEEN CHARLES MIX COUNTY, SOUTH DAKOTA,

The State 9-1-1 Coordination Board and Geo-Comm, Inc.

Whereas **the State 9-1-1 Coordination Board** endorses the request for copies of the **Charles Mix County Geographic Information System data** to be given to **Geo-Comm, Inc. for the Next Generation 9-1-1 Project**, which may include information such as Current MSAG (MS Excel format), Road Centerlines, PSAP Boundaries, Emergency Service Boundaries, Authoritative Boundaries, Site/Structure Address Points, County Boundaries, Municipal Boundaries.

Whereas Charles Mix County maintains ownership of the GIS and Charles Mix County has determined that GIS information should not be given to other agencies without prior approval of the County Commission; and

Whereas the GIS is updated continually and therefore is changing daily,

Whereas Charles Mix County promotes cooperation between governmental agencies and sharing of pertinent information for those government agencies to carry out their official governmental duties; and

IN CONSIDERATION OF THE FOREGOING AND IN CONSIDERATION OF CURRENT AND FUTURE ACCESS TO THE CHARLES MIX COUNTY GEOGRAPHIC INFORMATION SYSTEM (GIS), THE UNDERSIGNED AGREES AS FOLLOWS:

1. The undersigned, and their organization, shall only use information from the GIS to carry out its official government functions and for no other purpose.
2. The undersigned, and their organization, will not share or disclose the GIS information with any other agency, corporation or individual other than in the performance of its official government functions.
3. The undersigned, and their organization, will do everything within its power to insure that information from the GIS is not sold for profit or used in any manner for entrepreneurial purposes.
4. The undersigned hereby releases and discharges CHARLES MIX COUNTY, SOUTH DAKOTA, and all of its departments and employees, concerning any claims or actions relating to the GIS or the accuracy of information in the GIS.
5. This Memorandum shall be on-going and shall apply to all current and future uses of information from the GIS by the undersigned.

Data Requested:

Dated this _____ day of January, 2015.
